The Connector Book Exchange

Do you have any used textbooks you would like to sell? If so, why not advertise them through the Connector Book Exchange. It's fast, easy, and, best of all, FREE!

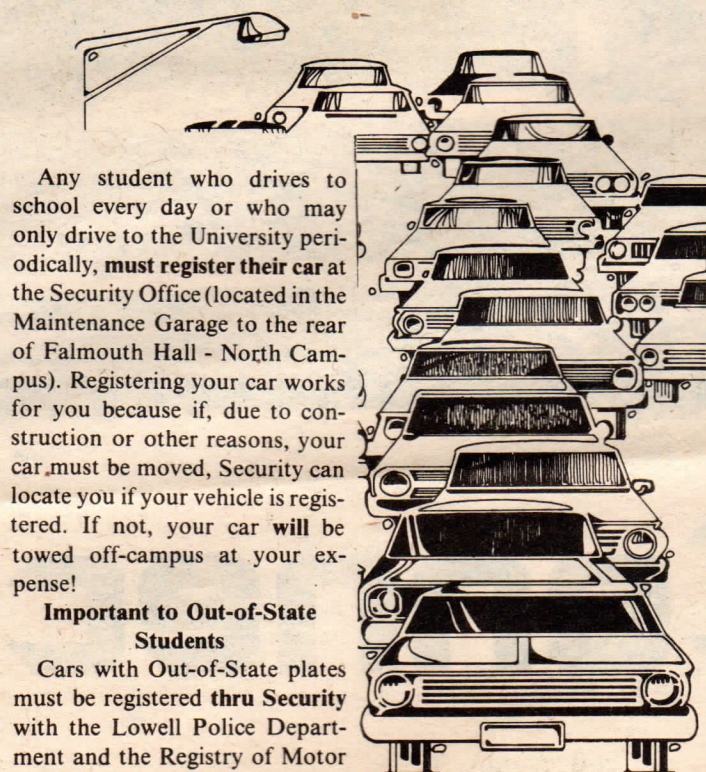

Just type the title, author, and edition number on a 3x5 card, along with information on how to contact you. Then write your name and box # on the reverse side. Drop it off in the North Campus mailroom or the Connector office. We will run your card until you drop us a note telling us you've sold the book.

per, set up a style sheet, and create a new profile for the paper. For more information, send your name, box number, and interests to the Connector, through the intercampus mail service. (Drop it off at either mailroom, North or South...)

Classified Ads

An effective way of selling your knowledge, crafts, used goods and time. Free for undergrad and grad students (but we must have your full name and box #); a small fee for everyone else. All classifieds must be typed on a 3x5 index card.

Student Car Registration

Any student who drives to school every day or who may only drive to the University periodically, **must register their car** at the Security Office (located in the Maintenance Garage to the rear of Falmouth Hall - North Campus). Registering your car works for you because if, due to construction or other reasons, your car must be moved, Security can locate you if your vehicle is registered. If not, your car will be towed off-campus at your expense!

Important to Out-of-State Students

Cars with Out-of-State plates must be registered **thru Security** with the Lowell Police Department and the Registry of Motor Vehicles... **By Law!!!**

STUDENT GOVERNMENT

Student Government (SG) is the executive, legislative, and judicial bodies of and for the students. Three branches make up SG - the senate, the Activities Commission (AC), and the Student Court. Student Government was created "to provide means for responsible and effective student affairs, to maintain academic freedom, academic responsibility, and student rights; and to enhance educational, social and cultural opportunities."

In paying his/her activity fee, each full-time undergraduate student pays \$15 of it to be used by SG to fulfill its purpose, becomes a member of SG, and is eligible to run for an office in an SG election.

SENATE:

The chief legislative and policy-making branch of the SG is the Student Senate. As such, it coordinates the other branches of SG, makes or approves appointments (to the Student Court), and bears responsibility for representing student interests in the University community in matters of housing and commuting, academic policy, financial aid, and any other issues in which students have a stake.

The Senate is composed of 32 voting members. These members are the President, Vice-President, Secretary and Treasurer of SG, elected at large by the Student body, and seven Senators from each undergraduate class, elected by their respective classes. Non-voting representative to the Senate are one person each from the Activities Commission, the Inter-Fraternity and Sorority Council (IFSC), the Inter-Dormitory Council (IDC), and the University Council (UC). The Student Trustee is also a non-voting member of the Senate.

The Senate holds general meetings twice a month while classes are in session, and all senate meetings are open to the public. The Senate Chambers are located in the core room on the fourth floor of Fox Hall (Towers). Meetings are posted at least 2 days in advance in the Student Information Center and in the **Connector**.

Senators for the Class of 1982 will be elected in October. Nomination deadline for candidates will be posted at a later date.

ACTIVITIES COMMISSION:

The branch of SG responsible for coordinating the functions and fund-

ing of all recognized student clubs and organizations, promoting and sponsoring social and cultural activities for the University community, and regulating the usage of all facilities under control of the SG (The Student Union Buildings) is the Activities Commission (AC). Thus, the main duties of the AC are to decide how to allot money and rooms to clubs, and to sponsor events such as concerts, dances, speakers, Spring Carnival, University Week, Thanksgiving Week, festivals and Rathskellar entertainment. The AC involves a lot of hard work and dedication from members and volunteers alike to do such a tremendous job.

The AC is composed of 17 members. There are three representatives from each class elected by their respective classes, and four representatives and a director elected at large by the student body.

The AC usually holds meetings once a week, and the meetings are open to the public.

EXECUTIVE COMMITTEE:

The Executive Committee of SG has the responsibilities of being both the Senate and AC during the months of June, July and August, and planning and coordinating Freshman and Transfer Orientation. The Executive Committee is composed of the President, Vice-President, Secretary, and Treasurer of SG, the AC Director, and the Chairpersons of the Social, Cultural, and Organizations Committees of the AC.

STUDENT COURT:

The Student Court is the interpretive branch of SG. They watch over the Senate and AC to make sure business is carried out according to the SG Constitution, and inform the student body of any problems that may arise.

The nine Justices of the Student Court are nominated by the Governance Committee of the Senate. When an opening occurs on the Court, nomination details and deadlines are posted in the **Connector**.

The best way to get Student Government to work for you is to get involved. Know your Senators and Representatives, and give them your opinions and ideas. Volunteer for a committee on the Senate or AC, and help work on events and projects. Attend meetings once in a while to get an idea of what is going on. Or better yet, run for an office - a little dedication can make you go a long way here at the University of Lowell.

We're SIC

Want to join a club, but you don't know which or how? Want your financial aid forms or any other documents notarized? Or do you want to know what band is at the Rat this weekend? Why not try the Student Information Center (SIC)?

The SIC provides info on just about everything related to the University and the surrounding community. And that's not all.

The SIC also provides various student services such as off-campus housing, commuter ride sharing and tutoring services. The SIC office is a central location for ticket sales and yearbook distribution. And, best of all, it is run and staffed entirely by students, who probably have had the same problems or questions you may now have.

The SIC is located inside the entrance way to Southwick Hall, near the North Campus mailroom. Get acquainted with the people, and take a look around. They are there to help you!

Welcome Back

Welcome! I hope your summer was an enjoyable one. As Student Trustee, I am the student's voice on the University's Board of Trustees. I am looking forward to working with you in presenting the student's point of view to the Trustees on matters of particular interest to students.

During the next few weeks, I will be forming an advisory committee to work with me. I would encourage students to make their views known to me. To facilitate this, I will be holding open meetings, at which time I would encourage you to speak out. At any time, if you have a question or

complaint which you feel I can help with, please feel free to contact me at 452-5000 Extension 2824 or through my University mail box, Box 2297, North Campus.

Sincerely,
Bob Chenevert
Student Trustee

University Council

The University Council (UC), composed of students, faculty, and administration, is the principal policy-making and legislative advisory body of our University. It is responsible for making decisions on such matters as academic and administrative policies and setting up an academic calendar, all subject to the final approval of the

Board of Trustees.

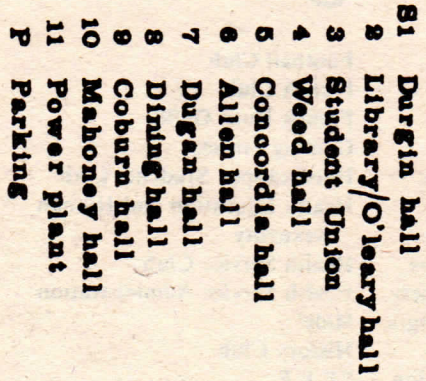

The UC is composed of 21 faculty members, 8 undergraduate students, 2 graduate students, 6 administrators, 3 President-appointed members, 2 alumni living in the Greater Lowell area, and the immediate past Chairperson of the UC as an ex-officio, non-voting member.

I'd like to take this time to welcome you to another school year at ULowell. During this year Student Government is in the process of adjusting to the changes in our society. Commuters, who will be bearing the high cost of feeding their cars, might be interested in joining the Ride-Sharing programs that are offered. The Rathskellar has now become two rooms, both located on the first floor of Fox Hall, to accommodate both over and under 20 year old students. Events are already getting underway by the Activities Commission, while concerts and other major happenings are being planned. Watch the **Connector** for future details to all these programs. Take advantage and participate in these activities because they're being offered for you, and the more people who attend, the better. So remember to study, but get out there and have some fun and some school spirit.

NEW STUDENT RECORDS

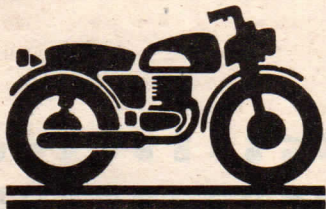

The University has been notified by the publisher that the "New Student Record" has been shipped. We are expecting it to arrive by Sept. 4, 1979.

Notices will be posted on campus to remind you to pick up your "New Student Record" at the Student Information Center in Southwick Hall.

Only students who pre-paid and purchased this publication will be receiving the "New Student Record." No additional copies were forwarded for sale on campus.

Motorcycle Parking

All motorcycles will park in the quadrangle at the North Campus only. Motorcycles parking in other areas will receive a ticket, and will

be towed if this is not adhered to. Parking for motorcycles at the South Campus will be behind Dugan Hall against the building.

Career Development

Greetings from Chris Oatis and Lanett Crews, two Career Development Specialists located in the University Counseling Center on South Campus, Concordia Hall.

We hope you had an enjoyable summer. The summer was productive for us, as we formulated plans in which we could make our services more available to you, the student, and especially sophomores and juniors. By taking advantage of our services during your sophomore and junior years, you will be preparing yourself for usage of the Placement Center in your senior year in a very proficient manner.

Here's part of the plan:

- 1) Workshops will be offered on North & South Campus.
- 2) Workshops will be offered at two different times.
- 3) Workshops will be offered early in the semester.

Before you become bogged down with your course work.

So while there is still some flexibility in your schedule, reserve some time for a Career Development Workshop. You owe it to yourself!...

You have a choice for each of the two workshops being presented.

Self-Assessment I: Values

Clarification: (Explores your values and interests)

Wednesdays 9:30 - 11:00 a.m.

Fox Hall - North Campus Room 409

Sept. 12, 19, 26 and Oct. 3

Thursdays 12:30 - 2:00 p.m.

O'Leary Library - South Trustees Room

Sept. 13, 20, 27 and Oct. 4

Self-Assessment II: Functional Skills Analysis

(Explore your marketable skills. Did you know that you were born with at least 600 skills?)

Mondays 1:00 - 2:30 p.m.

O'Leary Library - South Trustees Room

Sept. 10, 17, 24 and Oct. 1

Tuesdays

Fox Hall - North Room 409

Sept. 11, 18, 25 and Oct. 2

There is limited space available for each of these workshops, so you will need to sign up in advance. You may call our secretary at 452-5000 Ext. 2390, or stop by the University Counseling Center located in Concordia Hall.

Some of you may have questions as to which workshop would be more appropriate for you or whether or not you can take one without the other, etc. Well, ideally, the workshop should be taken in sequential order. However, if you have problems with scheduling, you may enroll in a workshop out of sequence. Check with Ms. Crews or Ms. Oatis ahead of time. 452-5000 Ext. 2439 or 2439.

Up-dated Career Development materials are available for your usage in the Career Development Resource Center Mondays thru Fridays from 9:00 a.m. to 5:00 p.m. It is also located in Concordia Hall. Feel free to stop by and browse, meet with your Career Development Specialists and/or arrange an appointment for an individual career consultation with one of us. We hope to see you sometime during the school year.

University Health Service

WELCOME! We at the Health Service hope you
will find your studies productive and rewarding.
Much of your education, however, will not be in the
classroom, as you learn about yourself, your health,
and environment. For many, it will be the first time to
make decisions on health matters; such as whether to
self-treat or see a health care provider for an illness.
The Health Service staff will be available to help you
make your decision or provide medical and/or nurs-
ing assistance.

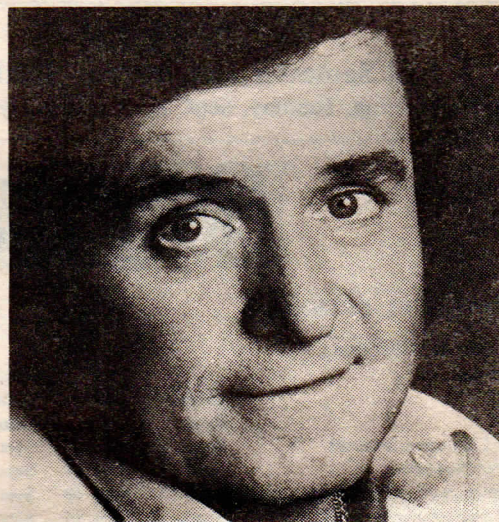

In order to serve you more effectively, the Health
Office will be open 8:00 a.m. to 4:30 p.m. The South
Campus Health Office, located in Mahoney Hall, will
offer first aid while the North Campus Health Office
at 30 Standish Street will offer first aid, nursing and
medical services. Major illnesses and injuries will be
referred to the Emergency Room of a local hospital.

Services will be provided by physicians, a nurse
practitioner, and two registered nurses. Students will
be seen at the North Campus Health Office, by
appointment.

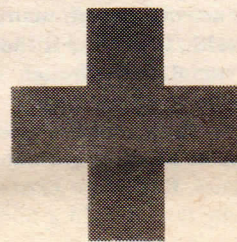

Students without an appointment (except, of
course, those requiring emergency first aid) will be
seen between 10:00 a.m. and 12:00 noon and 3:00 p.m.
to 4:00 p.m. Physician availability will be posted
monthly.
